# DUDE

## About me

Founder, CTO of Digitoimisto Dude Oy, runner, gamer, full stack developer, front-end developer, open source advocate, accessibility specialist, sysop, dad of two, music enthusiast, a synthwaver, coder since 1998, a WordPressian since 2005.

## Dude & WordPress

Contributions to WordPress core and plugins since company was founded in **2013**, in total of **68** public repositories, **1** theme and **11** plugins in active development. Oh yeah and we design and code biz-websites. **11** dudes in 2023.
