

Takeaways.

(I confess: I'm a phony, some of these are backups!)

Takeaways.

- Don't make it rocket science.
- Take it as a self-improvement challenge.
- Make it everyday life and a habit.
- Start small.
- Do marketing wisely.
- Document and help out.
- Backup your things to git.
- Do good things and be kind.
- You and what you do matter!

Thankyou!
